

Shoe Box Farm

This half term we are setting one homework project for **EVERYONE** to complete please.

Over the next half term, we will be looking at life on a farm and we would like everyone to complete a shoebox farm.

You may choose what lives on your farm, who runs the farm and what your farm produces.

Your farm must be:

- No bigger than a shoe box
- Include no plastic animals (animals and plants should be handmade)
- Clearly show what your farm produces

Once your farm is complete, please bring it into school to show the rest of the class. This can be at any point during this half term but everyone must bring in a farm by the end of the half term.
