

Life on a Farm

What is community?

Key terms:

Community	A community is a group of people living in a particular area.
Sustainability	Sustainability is about small changes we can make to help look after the planet.
Diversity	Diversity is used to describe differences between people.
Bangkok	The capital city of Thailand.
Physical Features	Anything that is on the Earth naturally.
Human Features	Something that is manmade.

Farming in Thailand is very important. Rice is the country's most important crop with 13 million farms growing it.

The main crops that are grown are wheat, barley, oats, potatoes, sugar beets, fruits and vegetables. The livestock that is raised include cattle and sheep.
