

Best of Britain

What makes the place you live special?

Directional language	Near, far, left, right
Compass	A tool for finding direction.
Human Feature	Anything that is on the Earth naturally.
Physical feature	Things that are made or built by humans.
Landmark	Something that is easy to see that someone can find.

The UK is made up of 4 countries: England, Scotland, Wales and Northern Island.

A compass is a **tool for finding direction**. A simple compass is a magnetic needle mounted on a pivot, or short pin. The needle, which can spin freely, always points north.

The British Isles is made up of the Republic of Ireland, Northern Ireland, England, Scotland, Wales, the Isle of Man, the Channel Islands and over 5,000 other islands.

An aerial view is seen from above.

We also call it a bird's eye view.

Aerial view of a human feature.
