

Year 2

Multiplication and Division

Pick from these activities to help you recap your learning on multiplication and division.

Keep practising your multiplication and division facts on Times Table Rockstars! https://ttrockstars.com/ if you want more tables adding to your profile, email Miss Phillips.	Print off and play the times table snakes and ladders game. Create your own board game featuring times table and division facts.	Hit the button is a great game to practise your times tables facts with: https://www.topmarks.co.uk/maths-games/hit-the-button
Complete the challenge cards using your 2, 5 and 10 times tables. Write your own challenge cards which must be solved using the 2, 5 or 10 times tables.	If you have coins at home make a shop but only use 1p, 2p, 5p and 10p coins to pay. This will help with counting in steps of 2, 5 and 10.	Print off or draw out the multiplication wheels - how quickly can you complete a wheel?
Look for real life examples of arrays and write a multiplication fact for them  This box of eggs has six eggs. $2 \times 3 = 6$ $6 \times 2 = 6$	Create a poster to put up at home for the 2, 5 and 10 times table. If you know these tables, then try your 3s and 4s!	Try out one of these NRICH challenges to really make you think! https://nrich.maths.org/13782 The double or halve one is great fun: https://nrich.maths.org/10654
