Let your friends know!

If you like the Welephant Club let your friends know. If they join the club and mention you on their registration form you will both have the chance to win a goody bag in our prize draw.

We will select the winners at the end of May 2020 so spread the word.

Your friends can visit

www.staffordshirefire.gov.uk/your-safety/young-people/the-welephant-club to join the club.

Terms and conditions apply, see website for details.

Answers

Spot the Hazards: 1. An overloaded socket, 2. A damaged electrical cable, 3. Smoke coming from a cheap replica electrical item, 4. Water dripping on to the table lamp, 5. Wires you could trip over.

Welephant News

SPRING 2020

Issue 38

Hello Wele-fans!

Welephant x

I'm really excited that it's spring, there are so many fun things to do outside. If you like to go for a walk in the countryside I'm sure you'll enjoy colouring in my countryside picture. You can also put your detective skills to the test with my match the shadow quiz - can you guess which shadow is mine? I really hope you enjoy learning about how we can all stay safe in spring.

Lots of love Welephant XXX

Spot the HAZARDS!

Electrical items can cause fires or hurt us if they are not used correctly. Can you help Priya spot the five electrical hazards in her house? Circle your answers.

Check your answers on the back page to see if you got them all right.

WELE'S SAFETY TIP

If a fire starts in your house get out, stay out and call 999 from a safe place.

Can you match the picture of
Welephant
 to the
 correct
 shadow?

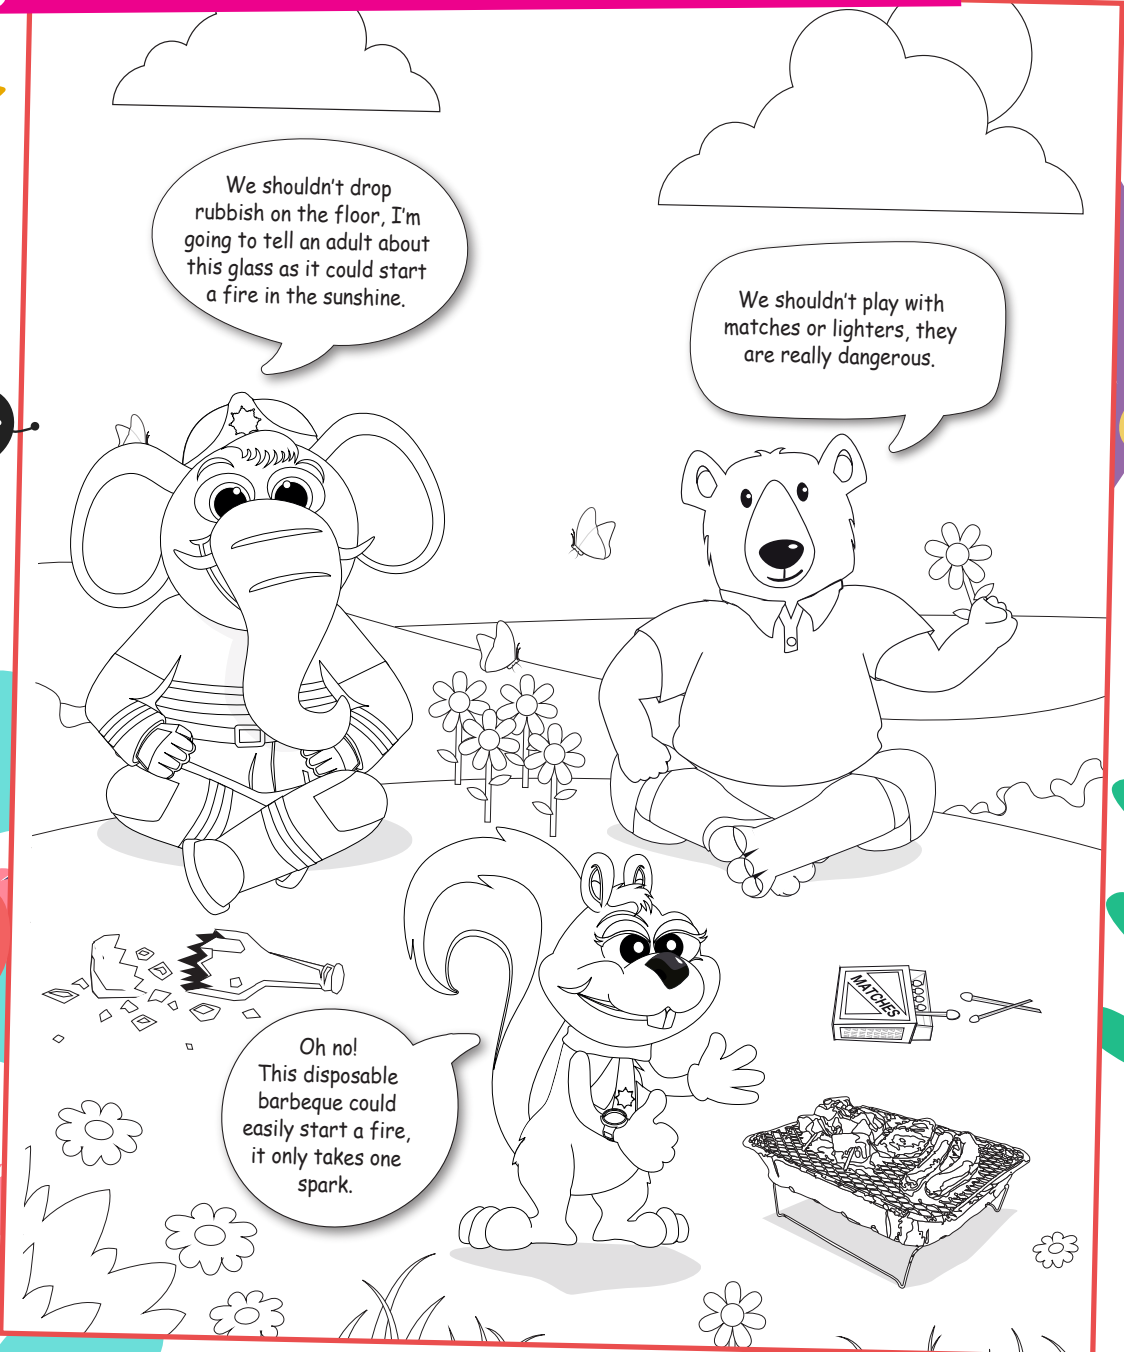

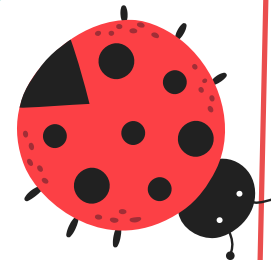

I think shadow number is Welephant

Check your answer on the back page to see if you got it right.
