

Extreme Earth

Homework Grid

Research and create a poster about a volcano. Where is the volcano and what type of volcano is or was it?	Can you create your own volcanos or earthquakes Top Trumps game.	Create a guide to surviving an earthquake or volcanic eruption. This could be a video guide.
Can you draw a map of the world showing major volcanoes and earthquakes?	Create a poster about the strongest earthquakes in history.	How are earthquakes measured? Could you create your own scale for measuring the strength of an earthquake?
Use your imagination and write a letter or postcard describing someone's experience of surviving an earthquake or volcanic eruption.	Research what happened in Pompeii or Mt St. Helens.	Be inspired by the colours of a volcanic eruption and create some volcanic art.

We look forward to seeing all the children's creativity! Please complete at least three of the activities during the half term.

Remember to continue to read daily, practise your times tables on TTRS, and learn your spellings for your weekly test.
