

Is anything possible?

Up, up and away.

Key concepts: belief, creativity, perseverance, trust

We are going to learn about flight throughout history. These tasks are designed to help extend our learning at home. Pick as many as you like, and bring your homework into school throughout the half-term. Please note that display space is limited - we share and value all homework but don't always have room to display everything.

Explore the inside of lots of aircrafts using the Museum of flights 3D Tour. https://www.museumofflight.org/Explore-The-Museum/Virtual-Museum-Online	Watch Around the World in 80 Days. Count the different types of transport you see in the film.	Build your own bottle rocket using this video. https://www.youtube.com/watch?v=VEOB64o04qU You will need an adult to help with this.
Write a diary imagining you are Amelia Earhart or Nellie Bly.	Create a hot air balloon using materials you have at home.	Research the Wright Brothers plane. Build a replica of their plane using some paper and toothpicks.
Create a rocket themed piece of craft.	Visit an aircraft museum as a day out. There is one in Wolverhampton.	Produce and film a dance to Westlife: Flying without wings.
Research the different countries that Amelia Earhart visited. Cook a meal from one of those countries.	Create your own flight themed poem.	Design and make a paper aeroplane. Measure how far it can travel.
Discover more about SpaceX's plan to go to Mars. https://www.spacex.com/human-spaceflight/mars/	Design a poster to show 10 things you would take to space with you.	Make and play your own board game based on Nellie Bly's journey around the world.
