

Writing	Maths	Art/DI	History
- Persuade someone to visit the Mayan ruins for a holiday. - Write the rules of Pok-a-Tok. - Write out a recipe for Mayan chocolate drink. - Write your name, family names and so on using the Mayan alphabet.	- Show how you can add, subtract, multiply or divide with Mayan numbers.	- Create a poster of Mayan hieroglyphics. - Create a model of Chitzen Itza. - Create a unique Mayan chocolate drink – photograph it, taste it and enjoy it! - A painting of a Mayan monument.	- Make a timeline of key Mayan events.
RE	PE	Music	Geography
- Find out about a Mayan God or Gods. - Create a book about the Mayan Creation Story. - Find out what did the Mayans believe about life after death?	Create a Mayan game like Pok-a-Tok	- Create an instrument – a whistle flute, drum or rattle like the Mayans would use. - Create piece of music the Mayans could enjoy.	- Create a travel guide of what you could go and see about the Mayan civilisation whilst on a holiday.

- It would be great to see each child's creative streaks come out during this activity, so however they choose to present it would be amazing.
- Please pick three activities to complete over the half-term.
- Remember to name your work and hand it in whenever it is completed.
