

Year 1

Numbers to 50

This week you can pick from these activities to help you recap our learning so far on numbers to 50.

Create a poster or number line to help you recall numbers to 50. 	Print off and play the snakes and ladders game. Create your own board game featuring numbers to 50.	Complete the BBC Bitesize lesson on representing numbers to 50. https://www.bbc.co.uk/bitesize/articles/zb9pnrd
Make a fruit salad. Choose a piece of fruit and cut it up, then write down how many pieces you have? Do this with each piece of fruit until you have cut up all the fruit. How many pieces of fruit do you have in total in your fruit salad?	Complete some of the activity sheets below. 	Make your own shop at home and sell things that cost up to 50p. Use your knowledge of tens and ones by use the 10p coins and 1p coins to pay for the items. (If you do not have any coins at home you can make your own.)
Go for a number hunt outside. Can you find any numbers below 50? Can you say how many tens and ones are in the number?	Print off and play number bingo with numbers to 50. 	Try one of these NRIC games/challenges. https://nrich.maths.org/covid19?utm_source=sidebar&utm_medium=banner&utm_campaign=mah Try the activities for ages 5-7, if these are too challenging you could try the age 3-5 challenges.
