

Find and Make Number Bonds

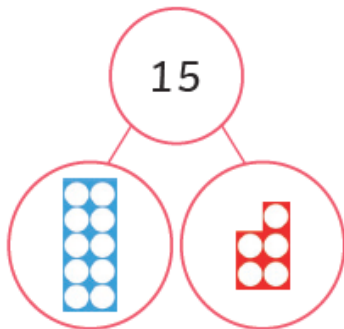

What number bonds are shown by the pictures?

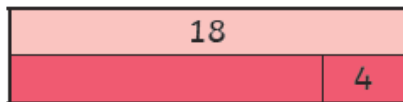

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} = \underline{\quad} + \underline{\quad}$$

$$\underline{\quad} = \underline{\quad} + \underline{\quad}$$

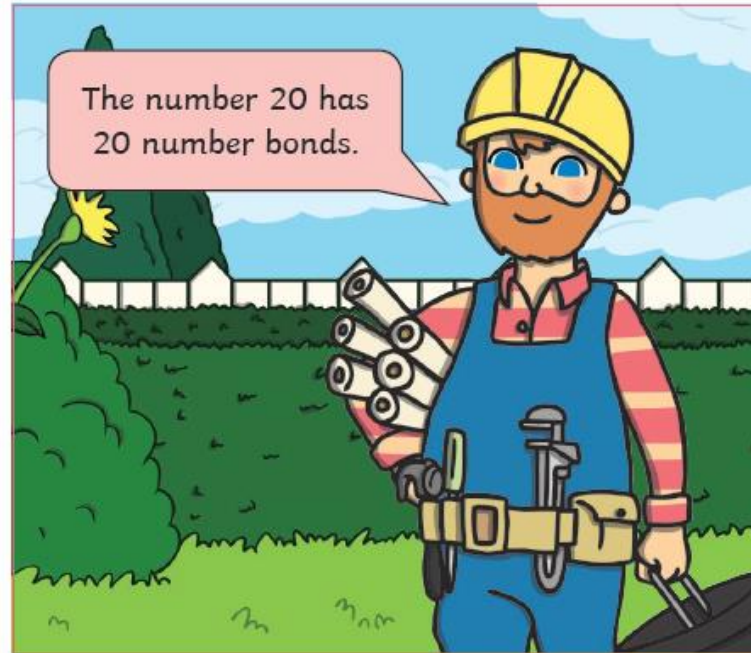

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

Following the pattern of the numbers, can you write all the number bonds to 14?

Find and Make Number Bonds

Is he correct?

Prove it using equipment.
