

Christmas 2020

*2020 who would have guessed it,
It certainly wasn't the year we expected,
But have you heard? It's the best time of year,
Christmas... is finally here.*

*Christmas brings hope, joy and gladness,
It helps us forget our sorrows and sadness,
It's a time to love, give and share,
A time to show your loved ones you care.*

*So, get out the decorations and put up the tree,
And get ready to say this with me,
Christmas is coming, let me hear you say,
Christmas is coming, hip, hip hooray.*

Please follow the links below to find the actions to the songs we will be performing this Christmas.

Joy to the World
