I can add and subtract numbers to 10

Draw a part whole model to help you answer these questions.

Gaps Challenge Cards

1.

$$\square - 4 = 4$$

Gaps Challenge Cards

2.

$$3 + 6 = \underline{\quad} + \underline{\quad}$$

Can you find different ways to do this?

Gaps Challenge Cards

3.

$$12 - \underline{\quad} = 9$$

Can you find different ways to do this?

Gaps Challenge Cards

4. I had 7 teddies and I gave some away. I now have 3. How many teddies did I give away?
