

Count to and across 100

Aim: I can count to and across 100, forwards and backwards, beginning with 0 or 1, or from any given number.

Izzy the Imp has found a rubber. She's been rubbing numbers out on a 100 square. Can you work out the missing numbers and put them back in?

1.

20						26
	31					
	41			44		

2.

		44			47
52					
62					67

3.

74						
				88		
	95					

Extra Challenge: Count from 90 to 110 in ones. Write down your counting pattern.

Count to and across 100 - Answers
