

Helping your child with Writing.

Every child loves writing! You may be surprised to read that!

Whether it be escaping to a magical mystery world or designing a set of instructions for a new game, they love it. It is even more enjoyable when they are practising without even knowing it.

Fun things to do with your child might be:

1. Write party invitations.
2. Encourage writing thank you letters after birthdays or receiving a special gift.
3. Write postcards when on holiday.
4. Write menu for a family meal or party.
5. Email a family member or friend.
6. Make a scrap book with labels and captions - maybe after a holiday or special event.
7. Write short stories involving the adventures of their favourite toys.
8. Write an information leaflet about something they find interesting e.g. dinosaurs, sports etc.
9. Write a letter to a favourite author.
10. Write a secret diary.
11. Invent and write rules for the house, bedroom etc. and put on a poster.
12. Draw, label and explain their own inventions. Make up silly sentences and tongue twisters.
13. Write a recipe.
14. Write instructions to explain their favourite game to a relative.
