

Please see below your child's spellings for the next 5 weeks. Little Wandle assign 10 spelling a week and we will be working up to this soon.

For now, the words highlighted in yellow are the words they will be tested on for the spelling test on a Friday. Please spend time each week learning them. You can also look at the other words to help support your child's learning.

The only exception to this is the last week of term, where you will see they have ten spellings. This is because the final week of term will be used to recap previously taught sounds, therefore, your child should already be very familiar with these words.
