How to play:

1. Place the counters on Hal's house at the start of the game.
2. Take it in turns to roll the dice and move around the board.
3. If you land on a space with a picture of a star on it, ask another player to pick up one of the playing cards and read it out to you. If you can answer the question, you can move on one space! If not, you stay where you are.
