

air Pairs Game

Level 3

Activity Guide

2-4 Players

- Place all the cards face down.
- One child chooses two cards and says aloud the word that is on the front.
- If the cards match, they keep those cards and they get another turn to find a pair of matching cards.
- If none are found, the next child has their turn.
- Play the game until all the cards have been matched.
- The winner is the child who has found the most pairs.
