How to Play

1. Players take it in turns to roll the dice. The player with the highest number goes first. The person with the second highest goes second and so on.
2. The player moves the counter the number of spaces shown on the dice.
3. If a player lands on a set of stairs, the player's counter slides down.
4. If a player lands on the bottom of a ladder, the player's counter climbs up to the square at the top of the ladder.
