Level 2 oa Boat Craft Activity

Level 2

Adult Guidance

You will need:

- Empty milk or juice carton
- Wooden skewer
- Sticky tack
- Waterproof paint
- Paper
- Sticky tape
- oa items or drawings

Instructions

1. Cut a large rectangular hole in one side of the empty carton.
2. Place a small blob of sticky tack inside the uncut part of the carton.
3. Push a skewer through the top of the boat to become a mast and fix into the sticky tack.
4. Decorate your boat with waterproof paint.
5. Attach a paper sail around the mast using sticky tape.
6. Fill your boat with (light!) oa items or drawings.
7. Set sail!
