

Changing Chairs Game

Level 3

Instructions

- Cut out the Farmer Stick Puppet and laminate. Attach it to a lolly stick or straw.
- Children sit in a circle, each on a chair.
- Hold up the farmer and say, "The farmer says to change chairs if you like... chocolate."
- If the last word the farmer says has 'ch' in it, the children swap chairs with another child. The children move even if they don't like chocolate! The only time they don't swap chairs is if the word called out doesn't have 'ch' in it.
