

Sound Surprise

Level 3

You will need:

gift bag

Sound Cards

Instructions

- Print and laminate the Sound Cards. You should have more 'or' cards than the other sounds.
- Place the Sound Cards in the gift bag.
- Children sit in a circle.
- Pass the gift bag around to music, or sing a song.
- When the music stops, the child with the gift bag picks a card without looking. They read their card out loud.
- If they have the 'or' card, everyone pretends to beep a horn and says 'toot, toot!' If it is a different sound, everyone simply repeats the sound.
- Play then continues until the cards are gone (or finish the game before this, if appropriate).
