

## Year 3 and 4 Newsletter

Welcome back to a new year. It has been a fabulous start by all children in unusual start to the year. We have loved being back in class and getting to know your children. This week we have learnt lots about them and started to get back into a routine of 'being at school' and doing lots of wellbeing activities. They have been incredibly resilient so thank you for all you have done to support your child's return to school.
