Phonics

Little Wandle Letters and Sounds Revised

Our school has chosen *Little Wandle Letters and Sounds Revised* as our Systematic Synthetic Phonics (SSP) programme to teach early reading and spelling.

“

Phonics is:
making connections between the sounds
of our spoken words and the letters that
are used to write them down.

In the Autumn: Phase 2

- These are the first group of letters and sounds your children have learnt. Much of the order in the Twinkl scheme matches Little Wandle. Some of the digraphs that were in the Twinkl phase 3 stage appear in Little Wandle Phase 2.
- The phonics lessons are fun, interactive, engaging and have been designed to gradually build over time.

This term we are teaching Phase 3

Last term we taught your child to blend and read words with Phase 2 graphemes.

In Phase 3 children learn:

- the vowel digraphs and trigraphs
- to read words containing the Phase 3 digraphs and trigraphs
- to read longer words ('chunking').

We teach blending so your child learns to read

- Teacher-led blending is taught throughout Phase 2 and continues in Phase 3 for those children that need it.
- If your child is not yet blending, they will be having additional small group support in school to help them and will have books without words for a little bit longer.

Blending to read words

Reading longer words

- During Phase 3, we start teaching children how to read longer words.
- We do this using a method called chunking.

Reception

Our progression

Little Wandle Letters and Sounds Revised 2021: Programme progression

Reception and Year 1 overviews

This programme overview shows the progression of GPCs and tricky words that we teach term-by-term. The progression has been organised so that children are taught from the simple to more complex GPCs, as well as taking into account the frequency of their occurrence in the most commonly encountered words. All the graphemes taught are practised in words, sentences, and later on, in fully decodable books. Children review and revise GPCs and words, daily, weekly and across terms and years, in order to move this knowledge into their long term memory.

Children need to learn to read as quickly as reasonably possible, so they can move from learning to read, to reading to learn, giving them access to the treasure house of reading. Our expectations of progression are aspirational yet achievable if schools maintain pace, practice and participation by all children. Children who are not keeping-up with their peers should be given additional practice immediately through keep-up sessions.

How we make learning stick

Reading and spelling

Spelling

- Your child will be taught how to spell simple words, using the graphemes they have been taught.
- They will practise the correct formation of letters. They will also have handwriting lessons.

How do we teach spelling?

- Say the word.
- Segment the sounds.
- Count the sounds.
- Write them down.

How do we practise reading in books?

Reading practice sessions are:

- timetabled three times a week
- taught by a trained teacher/teaching assistant
- taught in small groups
- children will have the book that they have been reading in school shared to Collins Hub each Wednesday.

How do we find the right book for your child?

Reading a book at the right level

This means that your child should:

- know all the sounds and tricky words in their phonics book well
- read some of the words by silent blending (in their head), so their reading becomes automatic
- stop and sound out some words by the time they bring the book home – but they should be able to do this on their own.

Reading at home

Books going home

Listening to your child read their phonics book

- Your child should be able to read their book without your help.
- They might sound out words and blend them before they read them fluently.
- If they can't read a word, read it to them.
- Talk about the book and celebrate their success.

Reading a wordless book

Wordless books are invaluable as they teach reading behaviours and early reading skills to children who are not blending – yet!

- Talk about the pictures.
- Point to the images in the circles and find them on the page.
- Play games such as ‘find it’ to help your child with oral blending.
- Encourage your child to make links from the book to their experiences.

Read to your child

The shared book is for **YOU** to read:

- Make the story sound as exciting as you can by changing your voice.
- Talk with your child as much as you can:
 - Introduce new and exciting language.
 - Encourage your child to use new vocabulary.
 - Make up sentences together.
 - Find different words to use.
 - Describe things you see.

The most important thing you can do is read with your child

Reading a book and chatting had a positive impact a year later on children's ability to...

- understand words and sentences
- use a wide range of vocabulary
- develop listening comprehension skills.

The amount of books children were exposed to by age 6 was a positive predictor of their reading ability two years later.
