

Safeguarding Policy for Children

Written in consultation with Safeguarding and Wellbeing Ambassadors

Safeguarding at Cooper Perry Primary School

Our school has a safeguarding policy for staff, families and governors. This child friendly policy is designed for you.

It will help you decide what could be a problem and where to get help. You might want to talk to someone about something that is upsetting you.

We have people in school who are trained to help you. It is important that you know where to get help if you are worried or unhappy about something.

Safeguarding means that we will:

protect you from harm.

make sure that nothing stops you from being happy.

make sure that you are looked after safely.

make sure that you have the best chances in life.
