At Cooper Perry, uniform isn't just about looking smart; it's about building our community. Our uniform identifies us, reinforcing a culture of high expectations. By dressing in our school uniform, pupils contribute to an ethos that values unity. It reduces distractions, allowing us to focus on learning and ensures everyone feels equal. When we all wear the same attire, it not only fosters pride in our identity but also deepens our sense of belonging.

Together, we learn, practise, play, and ultimately succeed in a supportive environment. #wearecooperperry

Please help us to look after your child's clothes by putting their name in each item.

Jewellery

No jewellery is permitted to be worn, with the exception of stud earrings and/or watches. Pupils are required to remove earrings for physical education lessons, ensuring they can do so independently, as staff members are unable to assist with this.

Should any other items of jewellery be worn, pupils will be asked to remove them, and these items will be returned to the pupil at the end of the school day.

Hair Styles

Children's hair must be worn in an appropriate style with no extreme styling or designs: mohicans, lines/patterns, or shaven heads are not permitted; long hair must be tied back out of the eyes. If hair is not tied back, then pupils will be given an elastic tie and asked to tie it back. Please ensure that all hair accessories are in the school colours and are for practical, rather than adornment purposes. Hijabs should also reflect the school uniform colours.

Make up

Make up is not permitted – this includes nail varnish.

Incorrect or missing uniform

If pupils are not dressed in the appropriate uniform then in the first instance an email will be sent by the class teacher.

Phone calls will be made to parents of pupils who repeatedly do not wear the correct uniform.

Items of previously worn school uniform are available for purchase at PTFA events.

If parents/carers are unable to purchase uniform, it can also be provided free of charge - sizes permitting.
